

Colorful Drawstring Backpacks by Sublimation on Full Surface

Designed and available only by Yes Promotion

We name YP01008B "Colorful Drawstring Backpack by Sublimation on Full Surface". Unlike other draw-string bags that show your logo only on 1 side, the new bag is a 2-sided drawstring backpack with images on both sides carrying your designs CMYK on full surface.

Improvement is made also in the string. We make it better by using 1cm polyester webbing Straps as draw-string with black or white to choose from.

Furthermore, no set-up charge is needed for its uniqueness. We accept MOQ 50pcs or smaller by your request.

Contact us to collect samples to evaluate its advantages. A deluxe model of it made of Polyester 150D Polyester with 1cm Fine-Woven Straps as draw-string (YP01008C) is also available.
